PUBLIC NOTICE:

HIGHWAYS ACT 1980 - SECTION 69

**PERMANENT CLOSURE OF THE SUBWAY UNDER
THE A5 EDGWARE ROAD GLA ROAD AT THE A501
MARYLEBONE ROAD**

Transport for London (TfL) wishes to notify the local community of the works to permanently close the pedestrian subways under A5 Edgware Road/ A501 Marylebone Road in the City of Westminster (known locally as the Joe Strummer subways).

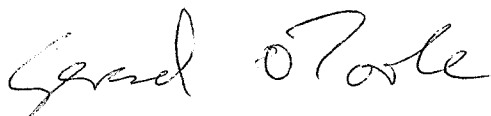

Pedestrians will be able to use the surface signal controlled pedestrian crossings at the junction.

The works involve the permanent closure of public access to the underground level due to concerns about increasing criminal behaviour and a threat to public safety. Discussions are on-going between TfL and Westminster City Council over possible alternative use of the underground space.

TfL apologise for any inconvenience which may result from the works.

If you have any comments about the works or would like any further details, please contact Rob Edwards on (020) 3054 1783 quoting GLA/2018/0455.
