

## GETTING BACK TO WORK: RECOMMENDED SUPPLIERS

Here at Marble Arch BID we are linked into networks of other BIDs and we have used our sources to identify suppliers of PPE and other equipment businesses may need to prepare for re-opening, whether you are a shop, cafe or office or any other type of business.

We have not used all of these suppliers ourselves but understand them to be reputable and offer the products and services required to be able to be open for business at this time.

[Standards relevant to PPE for COVID-19](#) are available free from the British Standards Institution. Detailed guidance on the EU Regulation on Personal Protective Equipment 2016/425 can be found [here](#).

The [following guidance](#) clearly summarises the main characteristics of the four most common categories of mask and face covering available in the UK that health workers and the public may use.

[Perch UK](#) – Hand sanitiser, masks, signs and stickers and sneeze screens.  
Contact: [sales@perchuk.com](mailto:sales@perchuk.com)

[Mosaic Graphics](#) – Internal and external social distancing floor markers and signage.  
Contact: [hello@mosaicgraphics.co.uk](mailto:hello@mosaicgraphics.co.uk)

[UKPOS](#) – Screens and social distancing and hygiene range of products.  
Contact: [sales@ukpos.com](mailto:sales@ukpos.com)

[Yewdale](#) – Screens, masks, body protection and hand sanitiser and wipes.  
Contact: [enquiries@yewdale.co.uk](mailto:enquiries@yewdale.co.uk)
