Dear Neighbour

Sussex Gardens / Edgware Road Junction: Works take place 22 August to 3 November 2025

I am writing to let you know about upcoming works to transform the junction at Sussex Gardens and Edgware Road to make it safer for pedestrians and cyclists. The works will take place between 22 August and 3 November 2025.

What's changing?

We previously consulted on proposals to make significant changes to improve safety at the junction, in particular making it safer and easier for pedestrians to cross. We are now going ahead with these changes which include:

- Improved and direct crossings to make the junction quicker and safer to cross.
- Footway widening giving more space for people walking or waiting to cross the road.
- Signal improvements to make it easier for cyclists to cross the junction.
- New rain gardens on the western side of Edgware Road.
- Installing improved drainage systems
