Festive Donation Drive Charity Partners 2026

Connected Lives, based on Old Marylebone Road, support local families in their key relationships. They promote healthy, life-changing connections between parents and children as well as within couples relationships. They provide parenting training as well as social connections for parents while their children play.

Example Wish List requests: Gift-wrapped presents for its Toddlers Christmas Party to be handed out by Father Christmas, including toys and story books.

Food Cycle Marylebone offer free community meals every Wednesday evening at its site on Rossmore Road, providing guests with a nutritious meal while also breaking down the barriers of social isolation. Food parcels are available for guests to take home to help address the cost of living.

Example Wish List requests: Festive treats to add to family food parcels, including selection boxes for children, tubes of chocolates and biscuits. **Please do not gift wrap donations.**

St Mungo's is a charity aimed at ending homelessness and rebuilding lives. It supports those affected by homelessness through emergency housing and runs projects that help teach new skills. The charity works closely with the BID and WCC to deliver weekly welfare patrols along Edgware Road.

Example Wish List requests: Gift-wrapped toiletry or clothing items for those spending Christmas in one of its emergency shelters 15 minutes from Edgware Road. **Strictly no alcohol.**

Please contact the BID to receive each charity's Wish List
